MEMORANDUM FOR THE RECORD

Morning Meeting of 12 July 1968

E-X-T-R-A-C-T

"The Director noted that he reviewed the Agency's revised recruitment program and feels that its more selective approach to university campuses and its accent on engaging Agency professionals and experts with the prospective recruits are most appropriate. He urged responsiveness on the part of senior Agency officials and their subordinates who might be asked to accompany recruiters to various campuses and emphasized that discussions with prospects should be characterized by candor and openness about the nature of Agency work and responsibilities."
